

An exotic, age-worthy Chardonnay from specialist LIOCO, who is blazing a new trail with their lineup of naturally-fermented, unfiltered Chardonnays made in 100% stainless steel (no oak). The Charles Heintz Vineyard needs no introduction—as it routinely delivers some of California’s finest Chardonnays. Located in the extreme western Sonoma Coast, this vineyard is often the last Chardonnay vineyard in all of Sonoma to be picked. The extended growing season means longer chains of aromas and flavors including night blooming jasmine, ginger, and lemon blossoms. There are deeper, bass tones too like raw honey and wet slate. The attack is mouth-coating, demonstrating the wine’s prowess through its sheer viscosity. Still, a vibrant acidity cuts through the honeycomb, candied ginger, and lemon peel flavors.
