AROMA
peach flowers, watermelon rind, black tea

FLAVOR
quince, unripe strawberry, blood orange

FOOD PAIRINGS
summer gazpacho, beet salad, grilled salmon

VINIFICATION
small amounts of juice are bled off from each of our red vineyard sources then fermented in neutral oak using a wild yeast. malolactic fermentation occurred naturally and finished completely, the wine remained in barrel on finelees for 6-months and was bottled without fining or filtration.

SITE
five vineyards in california's north coast compose this wine. rather than expressing the character of a "place", the goal of this wine is simply to provide pleasure after trial tasting several individual lots of rose in the cellar, this unlikely "kitchen sink" blend proved to have the most depth and complexity.

PRODUCED AND BOTTLED BY LIOCO, SANTA ROSA, CA.
CONTAINS SULFITES LIOCOVINE.COM 750ml
