21.2°

VINIFICATION

20.1 tons hand-harvested on September 10, 11, 13, and 22. Intensive sorting performed. Berries were "broken" before being pressed. Fermented on lees for 9-months (no battonage) in larger format neutral oak casks. Settled in stainless steel for 1-month. A slow malolactic fermentation completed. Cross-flow filtered prior to bottling.

SITE

A selection of premier Russian River Valley vineyards compose this wine including Butch Cameron, Oak Meadow, Teac-Mor, Woolsey, and Goldridge. All sites situated 8-10 miles from the coast in gravelly loam and sandstone soils known as Goldridge. Clonal material based on Old Wente and Clone 4. This growing region is distinguished by its proximity to the cold Pacific Ocean and its complex relationship to the Russian River.

PRODUCED & BOTTLED BY LIOCO, SANTA ROSA, CA.

CONTAINS SULFITES
