Event Buy-Out

Thank you for considering LIOCO Wine Co Tasting Room for your upcoming event! A buy-out for our space means the Tasting Room is closed to the public and only open to you and your guests.

REQUIREMENTS

Our buy-out requirement consists of a rental fee coupled with a minimum wine purchase. The wine is selected before your event, purchased at retail price (wine club members can apply their discount), and does not have to be entirely consumed during the event. If there is anything left over, it's yours to take home with you. Additional wine can be purchased on site if your wine needs exceed your minimum purchase.
