VINIFICATION
The fruit was hand-harvested, destemmed, and the berries "broken" before being pressed to stainless steel tanks. Fermented on the fine lees, with no battonage for 8-months. Malolactic fermentation occurred naturally and finished completely. A gentle cross-flow filtration was performed prior to bottling.

SITE
A selection of complementary Sonoma County vineyards compose this wine, with an emphasis on the Russian River Valley. While each site is distinct, they share a common commitment to sustainable horticulture and strident farming. Our intention for this wine is to express the unique character of this region. Warm days and cool nights, tempered by consistent oceanic fog, yield nuanced chardonnays balanced by brisk acidity.
