pomelo,
orchard fruit,
marzipan

razor clams,
roasted cauliflower,
shrimp scampi

20 tons hand-harvested on Aug. 31, Sept 1 & 4. Intensive sorting performed. Berries were “broken” before being pressed. Fermented on lees for 9-mos.(no battonage) in larger format neutral oak casks. Settled in stainless steel for 1-month. A slow malolactic fermentation completed. Cross-flow filtered prior to bottling.

A selection of premier RRV vineyards compose this wine. All sites situated 8-10 miles from the coast in gravelly loam & sandstone soils known as Goldridge. Clonal material based on Old Wente & Clone 4. This growing region distinguished by its complex relationship with the cold Pacific Ocean, omni-present fog, ancient redwoods, & the Russian River itself.
