BRIX

21.7°

VINIFICATION

1.81 T of micro-sized clusters were hand-harvested on Sept 14th. Fruit was whole-cluster pressed into a mix of neutral oak cigar-shaped barrels and stainless steel drums. Aged for 6 months on the lees before being bottled unfiltered.

SITE

This historic Prohibition-era ranch boasts some of the oldest known vitis vinifera plantings in California. This Sauvignon Blanc, planted in 1942, may very well be the oldest SB in N. America. These soldiering, head-trained vines have been dry-farmed on soils of red clay strewn with fist-sized rocks. The farming has been organic since inception. At 31mi from the coast and 850ft in elevation, the vineyard sees 40-60° diurnal shifts. It is overseen by husband/wife duo Athan & Denise Poulos.

PRODUCED AND BOTTLED BY LIOCO, SANTA ROSA, CA

CONTAINS SULFITES
