RESIDUAL SUGAR

0.1 g/l

TOTAL ACIDITY

6.1 g/l

BRIX

23.7°

VINIFICATION

3.26 tons hand-harvested and sorted on Sept. 9th. Drought concentrated berries (Clone 115) fermented on wild yeasts in small open-top tanks with 33% whole clusters. A 4-day cold soak preceded regular cap management (mostly pumpovers) during a 14-day fermentation. Aged undisturbed, for 10 mos. in 33% new French oak. Bottled without fining or filtration.

SITE

This spectacular "true coast" vineyard with unobstructed views of the Pacific was a former apple farm. In a prime spot at 700ft. between the first and second ridge, 5mi. from the sea. Clones 115 and 777 planted in 1999 on well-draining sandy-loam soils full of fossilized scallop shells. This area is heavily forested, reliably cool and foggy, and ideally suited for high energy Pinot Noir.

PRODUCED AND BOTTLED BY LIOCO, SANTA ROSA, CA.

CONTAINS SULFITES
