Peking duck,
porcini pizza,
oil poached tuna

PH BALANCE

3.55

RESIDUAL SUGAR

0.3 g/l

VINIFICATION

2 T of Swan clone Pinot Noir were hand harvested on Oct 7th and fermented on 25% whole clusters in a small open-top tank on wild yeasts. A 4-day cold soak preceded one daily punch down and pump-over during a 15-day fermentation. Aged for 10-mos in 28% new French oak. Bottled unfinned/unfiltered.

SITE

This historic vineyard sits on the south side of route 128, 11 miles from the coast at elevations of 250-500 ft. Soils comprised of mainly decomposed sandstone result in a struggle for nutrients and water, keeping the resulting fruit load of the vineyard in natural balance. The first blocks were planted in 1963; ours in 2000 to clones 115, 777, and Swan. Edmeades is quintessential Anderson Valley with densely forested rolling hills, frequent fog, and the Navarro River running through it.
