### SITE

At less than 1/4 sq. mile, the Cole Ranch AVA is the smallest appellation in the United States. The AVA is located between the Russian River and Anderson Valley at elevations from 1400-1600'. Enclosed by hills, it is unique for its terrarium-like setting and cool climate relative to Ukiah. This 55-acre vineyard was planted in 1971 by John Cole. It is now owned by Mike Lucia & Jill Shadek, who are practicing organic farming.
